

Ohio Library Council
Library Education Committee
2010 Annual Report

Unit Name: Library Education Committee

Completed by: Andrew Mangels

E-mail address: andrew.mangels@westlakelibrary.org

Educational Efforts:

The Education Committee did two programs in 2010. The first was a presentation of the Standards for Public Library Service in Ohio at the OLC Think Ahead Conference. The second was a presentation at the New Directors workshop of the Ohio Public Library Core Competencies and a discussion of how to use them effectively.

The Education Committee met at Leadership Day and committed to the following activities in 2011.

Offering programs on Competencies and Standards at the annual conference. Each program will also touch on the certification program as well.

Core Competencies

- Codify how libraries are using shelvers, security officers and others
- Add new material
- Clean up out of date material

Standards for Public Library Service in Ohio

- Look for more hot links to embed
- Look for more opportunities to benchmark
- Review other state standards

Certification Review Panel

- Review OLC data on Certification participation
- Make recommendation on this program to continue as is, revise or drop
