PUBLIC LIBRARY FUND – DISTRIBUTIONS PER LIBRARY: CY 2009-2010**

Below are projected distributions of the Public Library Fund for calendar years (CY) 2009 and 2010 per library.

DISCLAIMER:

The following estimates were developed using revenue projections provided by the Office of Budget and Management. OBM estimates:

- 1) State General Revenue Fund (GRF) tax receipts for the second half of Calendar Year 2009 are assumed to be roughly 15% less than the comparable period in 2008;
- 2) FY2009 and FY2010 PLF Distributions will be at 1.97% of Gross State General Revenue Fund (GRF) Tax Revenues; and
- 3) Projected PLF distributions are based on Conference Committee language as passed by the Legislature.

The Ohio Library Council does not endorse OBM revenue assumption.
