

Planning and Leadership Conference

2026 Feedback

The Planning and Leadership Conference is an annual tradition for OLC's Committees and Division Action Councils to come together and begin planning for the following year. Please work with your unit to answer the following questions. We need your help and we want to hear from you. The work of OLC's Committees and Divisions is incredibly important as it helps to guide the work of the organization.

1. What are the top three things affecting your library and your work?

2. What topics and trends do you want to learn more about?

3. How can your Committee/Division Action Council play a role in these efforts?
